

All Saints Catch Up – 27th February 2024

Welcome back. I hope you had a lovely half term.

Our new value for Collective Worship this half term is Perseverance, which is also one of our six core values.

Kingfishers and Eagles trip to Norwich Cathedral and Rose Lane Mosque.

On 30th January, KS2 children travelled to Norwich to deepen their understanding of two quite different places of worship. The ladies leading our day were very impressed with our children's knowledge, questioning, discussion skills and behaviour – they said that all the groups were a delight to work with and very tidy at lunch time. Well done KS2 and thank you to Ms Curtis and Mrs Turton who came with us.

Perfect Pets are published. Congratulations to our art club leaders and participants for their entries into the Perfect Pets competition. Their entries were so good that they have now been published in a book! We are particularly proud of our year 6 leaders who organised the entries.

World Book Day Thursday 7th March

To celebrate World Book Day, the children are welcome to dress up as a character from a book. Staff will be sharing some of their favourite books with the children in our story taster morning and we will be having a focus on poetry.

We will also be holding a book swap. If your child has one or two books they no longer want, they may bring them into school. We will then hold whole school book swap in the hall so that everyone who brings in a book can take one home.

We've done this before and its been hugely successful but we do always struggle for year 5/6 books so if you have anything from an older sibling feel free to send it in.

Diary dates:

- *Thursday 29th February – No After School club (staff training)
- *Wednesday 6th March – Hare and the Tortoise theatre production for Wrens, Robins and Kingfishers.
