Dear parents,

I hope you have all had a good summer. We welcome lots of new children and families to our school and hope that you soon settle in.

Data Collection and permissions

As always, you will be sent an important information document which we urge you to complete by Monday 8th September at the latest so that we have the correct details for your child. Please do check phone numbers and emails very carefully and delete any old numbers, especially if you no longer have a home phone.

Picking up after school.

There is no 'pick up list.' The emergency numbers you give us are for us to ring in case of emergencies if we cannot get hold of parents. If you would like your child to be picked up by someone other than yourself, it must be recorded in the home school diary. If you know your child will always be picked up on a particular day by someone other than yourself e.g Granny will always pick up on Wednesday, please let us know that via email or written letter at the start of term.

Communication

To make communicating about the wonderful things we do in school a little more effective, we are delighted to invite you to sign up for a parent account on ClassDojo. You can use it on any device: it's a simple, free mobile app for iOS and Android, and can also be accessed from your computer at classdojo.com. It is a secure site so that your child's photograph cannot be seen by anyone without permission.

ClassDojo is a simple and effective way for us to share photographs, events, reminders etc. It will replace the newsletters as a more regular update about class and school events. Parents will only be able to see the class that their child(ren) belongs to as well as any whole school messages. ClassDojo will not replace school diaries – they are still the best way for parents to contact staff. We will use your email to set you up an account, you will then receive a message with details about how to log on if you wish to. To inform us that you want to access ClassDojo, please go onto Arbor/ Clubs to consent.

Club price increase

In order to continue to provide breakfast and after school clubs we have to implement a slight price rise. We are still considerably cheaper than many other schools and have not increased our prices for many years.

If you need help regarding these price rises, please do come and talk to me.
